

ELMDALE EARLY YEARS SCHOOL

Colin Campbell—Principal

Elmdale School is committed to nurturing a foundation for growth and life long learning in a safe caring community.

Dear Parent/Guardian,

From time to time the classes at Elmdale School take part in activities that take us off the school ground. In the past we have asked for written permission for every activity such as a field trip to Winnipeg or for walking the local Terry Fox Run on the streets around our school. To help us eliminate the need for asking your permission each time, **we ask that you sign this form consenting that your child has permission to go on walking trips from the school throughout the year.** These trips could include, but are not limited to: nature walks, walks to the library or arena, Terry Fox Run and other destinations that can be reached by walking. Each of these walking trips will be announced well in advance to inform you as parents, and with your signature on this form you indicate your permission. Rest assured, your written consent will still be required for each field trip requiring bus transportation, thereby allowing you to give that consent close to the date of the excursion.
