

Year-End Community Report for 2017-18

Mission: To provide a safe and caring learning environment, fostering positive relationships, serving students, families, and community.

About Us

- 305 students, 19 teachers, 10 Educational Assistants, 2 Secretaries, 1 Library Clerk, and 2 custodians.
- We focus our teaching and learning with an inquiry mindset of provoke, explore, and reflect. In addition learning skills: Character, Citizenship, Collaboration, Communication, Critical Thinking, and Creativity.
- Through inclusive teaching practices all students are treated as capable Learners who are Literate across the curriculum.
- We offer a variety of programs to help build character and citizenship in children by participating in programs such as our Grand-Partners, Gardening, Learn to Skate, Reading Club, Let's Run, and many more programs.
- We promote a safe and caring school environment through our proactive, Have You Filled a Bucket program.
- We are invested in our Family/School partnership. Through the use of an application such as Seasaw, students contribute to their personal ePortfolio.

Planning Priority #1 Learning Partnerships

Partnerships will be cultivated between and among students, teachers, and families and the wider environment to provide students with comprehensive support in their education.

School Year Accomplishments

- **Family Partnership:** 85% of students met their home reading goals.
- **Serving the Community:** Students participated in Terry Fox Run & Community Christmas Food Drive, Fruit Share.
- **Family Involvement IN School:** An average of 88% of Families attended, Student Led Conferences, Celebration of Learning, and Meet Your Teacher Events.
- **Students Serving Students IN School:** All students participated in our buddy program.

Planning Priority #2 Learning Environments

Students will interact in safe and respectful learning environments that foster the diversity of learners.

School Year Accomplishments

- **Outdoor Learning Environment:** Students worked in our School Garden and indoor Tower Garden.
- **Building a Trusting Learning Environment:** 33% Improvement in The reduction of Amber (behavior) forms this year.
- **Classroom Learning Environment:** New classroom furniture to support a diversity of learners.

Planning Priority #3 Pedagogical Practices

Pedagogical practices will be used to design, monitor and assess learning in inquiry learning for students.

School Year Accomplishments

Deeper Learning:

- **Early Years Literacy:** 87% of students reading at or above grade level.
- **Early Years Numeracy:** 85% of students at or above grade level.

Planning Priority #4 Leveraging Digital

Students will leverage digital to accelerate access to knowledge beyond the classroom and cultivate student driven deep learning.

School Year Accomplishments

- Grades Kindergarten to Grade 2 students created an eportfolio to document their deeper learning across the curriculum.
