

Facilitator Training Workshop

Shake, Rattle & Roll is a physical activity program for toddlers, aged 2 – 4 and their parents. The Shake Rattle & Roll activity program encourages early movement and co-ordination using simple songs, large and small apparatus and hand-held equipment. Participants completing the training workshop will receive the lesson manual and information on how to set up a program. Facilitators trained in Shake Rattle & Roll will be able to offer the program to families in their own communities.
