Summer Reading 2020

1 square = 1 picture book OR 1 chapter OR 10 minutes

in your pajamas	while eating a snack 	before breakfast	in a whisper voice	under a table
in the bathtub (no water!)	in a silly voice	read a page of a book backwards	in your bed	to a pet or stuffie 
a book that makes you laugh	at the park		in your winter jacket	on the floor
a book you've never read before	with a flashlight 	on a Wednesday	after dinner	to a friend or a family member
in the car	with the T.V. off	read in a blanket fort	in your  shirt	lying on your back

Little Caesars

If you have a **BLACKOUT** by the time you are back at school, you'll earn a Little Caesar's pizza party with Mr. Hiebert!

Summer 2020

Welcome to Elmdale Summer Reading!

This summer, more than any other, it is important to continue reading. We've seen a great deal of success when students read for about half the days in summer. Typically, it is enough to help students maintain their progress but we've even seen some exceed their current level. We hope that a pizza party, donated by Little Caesar's, will help to keep you fired up to read this summer!

Reading bingo is a fun way to keep track of the number of days your child reads or you read to your child (for children going into grade 1). Color in one square on the bingo card for each day your child reads or is read to. **Your child will earn a special Little Caesar's pizza party with Mr. Hiebert if s/he gets a 'black-out' (every square completed = 25 days). Return this completed card to your child's new teacher in fall to be a part of the pizza party.**

Please don't worry if there is an activity on the card that you can't do. You can create your own activity or repeat an activity. The activities in the squares are not the important part, having fun while reading is the goal.

If you lose a bingo card or want another one to fill up, they are available on our website to print off.

Let's rock the Summer Reading in 2020!
