

Dear Parent/Guardian,

Elmdale Parent Advisory Council would like to invite you to be a part of our 2022/2023 Fundraising Campaign. **The students of Elmdale School will have the opportunity to raise funds to primarily fund phase one of our future play structure.** If you have had the opportunity to come by the school, you will have noticed our new outdoor classroom. The teachers and students are excited about this new addition. We can't wait to see more new play structure pieces be added to our playground.

Your donations/fundraising will also assist with the cost of:

- Providing lunches for students who regularly do not have a lunch.
- Additional books for classrooms
- Student-centered art project with a local artist.

This year we would like to offer Elmdale families two different fundraising choices to help with these costs. We will kick off the fundraising year with a Rocco's Pizza fundraiser that will take place in September. We will end the year with a Spring Fundraiser.

If you would like to donate, but would choose not to participate with the two different fundraisers we will also accept monetary donations. **Donations that are \$25 or more would qualify for a tax receipt. Cheques may be made payable to Hanover School Division.** Simply fill out the form on the next page and return it back with your child. You then will have the option to not receive future fundraising forms by selecting that choice.

Thank you for your consideration in making a donation or supporting one of the two fundraisers throughout the year. Your generosity will impact the lives of so many children at Elmdale School.

Thank You for your partnership,
Elmdale Parent Council

One time monetary donation form

Parent/Guardian name _____

Phone number _____

Home address _____

Student(s) Name _____

Class _____
