SUMMER READING BINGO 2024

Only 1 square/day = reading 10-20 minutes

in your pajamas	while eating a snack 	before breakfast	in a whisper voice	under a table
under a tree	in a silly voice	by the pool or lake	with pizza 	to a pet or stuffie 
a book that makes you laugh	at the park		in your winter jacket	on the floor
a book you've never read before	with a flashlight 	in bed	after dinner	to a friend or a family member
in the car	with the T.V. off	read in a blanket fort	in your favorite team shirt	lying on your back

BLACKOUTS earn a party  in fall!
Thank you, Little Caesars!

Summer 2024

Welcome to Elmdale Summer Reading!

We've seen a great deal of success when students read for about half the days in summer. Typically, it is enough to help students maintain their progress but we've even seen some exceed their current level. We hope that a party will help to keep you fired up to read this summer!

Reading bingo is a fun way to keep track of the number of days your child reads or you read to your child (for children going into kindergarten or grade 1). Color in one square on the bingo card for each day your child reads or is read to. Your child will earn a party if s/he gets a 'black-out' (every square completed = 25 days). **Return this completed card to your child's new teacher in fall. Parents please initial and make sure the classroom is on the page to ensure your child doesn't miss out.** If you lose a bingo card or want another one to fill up, they are available on our website to print off.

Please don't worry if there is an activity on the card that you can't do. You can create your own activity or repeat an activity. The activities in the squares are not the important part, having fun while reading is the goal.

LET'S ROCK SUMMER READING 2024!
